

Bully's & Coors Light Super Cold Mug Club

How the Mug Club works:

- The "Mug Club" is exclusive to Coors Light Super Cold Draft only
- Ask your server or bartender for a "Rookie" Mug Club card to get started
- Register your card at www.bullyssportsbar.com/mugclub
- There are three levels to the club: Rookie, Minors, Majors
- Each card has 33 holes to be punched in order to proceed to next level of card
- One (1) punch awarded for every Coors Light draft
- Once you complete each level of card (33 mugs of beer for each) you have earned that prize
- Prizes can be picked up at Bully's Corporate office during regular business hours Monday-Friday 9am-4pm
- Good news! You can continue to participate in the Mug Club again
